MESSAGE FROM THE MAYOR

Welcome to Mayerthorpe! I'm very excited to tell you about our wonderful Town. My hope is to pique your interest with a few highlights then, if you need more, encourage you to reach out to the Town via our website, facebook - mymayerthorpe or give us a call at 780.786.2416.

Mayerthorpe is a very well-connected place! It sits at the junction of two very busy trade and tourist routes; Highway 43 (the Alaska Highway) which runs northwest from Edmonton and, from southern Alberta following the foothills, Highway 22 (the Cowboy Trail). Just north of Town, Highway 22 connects to points northeast and the Oilsands via Highway 18.

Interested in starting a business in our community? Mayerthorpe's Town Staff can put you in touch with GROWTH and Community Futures Yellowhead East. Both groups have lots of resources for enterprising folks wanting to explore the opportunities in the area.

Thinking about relocating? Mayerthorpe is an amazing place to live, work and play. We're just over an hour from the bright lights and big city of Edmonton, making access to things like an international airport and concert and sporting events very convenient. (Go Oilers!!)

Our little Town boasts a Junior Olympic sized outdoor pool with a water slide and splash pad. The Mayerthorpe Exhibition Centre/Dick Granley Arena is home to hockey and skating in the winter and numerous agricultural events like the rodeo and Ag Fair during the summer months. In addition to the pool and the arena, we're lucky to have a curling rink, walking trails, numerous parks, sports grounds and, of course, our Fallen Four Memorial. Our active public library runs a variety of programs for all ages. From book clubs and genealogy for the adults to crafts and movies for the kids, there's something for everyone.

Have you got kids? Well, we've got two excellent schools full of dedicated educators and support staff. Elmer Elson Elementary (EEE for short) is a wonderfully inclusive place to launch a child's educational career; from K to grade 6, including a PUF program, they start off on the right foot at EEE. MHS (Mayerthorpe Junior/Senior High School) provides young people from grades 7 to 12 with academic, technical and athletic educational opportunities that have secured scholarships for grads and won provincial sports championships at both junior and senior levels.

Mayerthorpe is lucky to have an RCMP detachment as well as a Community Peace Officer and we are grateful for their service to our community. In addition to the police presence, we have a state-of-the-art Emergency Response Centre, which is home to the ambulance service and our fully equipped, well-trained volunteer fire department.

Our modern Healthcare Centre is fortunate to have the services of dedicated medical professionals and support staff and features both acute care and long-term care beds. Additionally, the Lac Ste. Anne Foundation has one long-term care facility, two senior's apartments, and three affordable housing units in Town, enabling our seniors to stay in the community.

I've told you a lot about Mayerthorpe already, but I saved the best for last. Its citizens and community members are truly what make this Town a great place to call home. From the staff at local businesses to the folks you'll bump into when you're out for an evening stroll to the dedicated volunteers who do everything from paperwork to public speaking and shoveling to serving wings at the Legion, the people are what make this community amazing!

By now, you should be packing, either to come for a visit or to put down some roots. If you still need convincing, check out our website at www.mayerthorpe.ca. There's virtual tour to give you a bird's-eye view of the community.

See you soon!

Mayor Janet Jabush

INTRODUCTION TO MAYERTHORPE

Mayerthorpe is located in the middle of farming and cattle country, only 75 minutes away from Edmonton, 2 1/2 hours away from Jasper National Park, and on the route to the Northwest Territories, Yukon, and Alaska.

Mayerthorpe is a friendly, thriving community of 1320 people, boasting K-12 schools, several senior's facilities, a modern health care facility, an historic grain elevator, and the "Fallen Four" Memorial Park.

Many activities can be enjoyed at our numerous parks and playgrounds, at various recreation facilities, and at nearby lakes and campgrounds.

Mayerthorpe offers a great quality lifestyle, affordable housing, and ample opportunities for people of all ages and interests.

Come and experience our warm hospitality while you visit our many shops and attractions.

The RV Sani-Dump station is open to both visitors and residents. It is located beside the Town's Water Treatment Plant, (4712—42A Avenue).

Station users are asked to be respectful of the environment when dumping.

Provision for Disposal of Chemicals: The Town of Mayerthorpe and County of Lac Ste. Anne has commenced a recycling program with Green for Life Environment Corp. (GFL). This Program provides three (3) bins hazard waste, paint, and aerosol cans. This Program is being offered to the Town of Mayerthorpe at no cost. Residents can drop off left over paint and hazardous wastes at the Public Works Shop (5040-52 St) during work hours. Paint is collected and processed into new products and hazardous paints are treated safely and responsibly.

The Program is funded through environmental fees charged on the sale of paint in Alberta. The fees are determined by container size. These funds are paid out as incentives to municipalities for collection and to processors for transporting and processing paint products.

-
