

FREQUENTLY ASKED QUESTIONS

Do I need to get a license for my dog?

The Town of Mayerthorpe requires your dog (s) to be licensed under The Town of Mayerthorpe Dog Control Bylaw. The fee is \$10.00 female/male spayed/neutered and \$50.00 not female/male spayed/neutered. Dog owners are to keep their dog on their own property unless under control with a leash by the owner or at an approved off leash facility.

Do I need to get a license for my cat?

The Town of Mayerthorpe does not require your cat to be licensed under the Cat Bylaw. However, you can obtain a Cat Tag to ensure safe return if picked up by an Animal Control Officer. Cats that wander on to neighboring properties or public property can be picked up by Animal Control Officer as they are considered to be stray.

How many dogs is one household permitted to own?

Per Town Bylaws, a household is limited to owning two (2) dogs.

My neighbor's dog is kept outside and it barks all night. What should I do to resolve this problem?

If you do not feel comfortable talking to your neighbor in person, call the Town Office and lodge a formal complaint. You will be required to pick up and fill out a Barking Dog Complaint Package, however your identity will be kept confidential. Once a complaint has been made, the Community Peace Officer will contact the dog owner informing them of the complaint and information on Bylaw 1104. If the dog continues to howl or otherwise disturb the neighborhood, the dog owner may be fined between \$200, first offence and \$400 second and subsequent offences.
