Welcome to the sheer explosion of pop culture of the 1980's. And so much of this cavalcade of wild styles and crazy quirks was a direct reflection of the music at the time. The Billboard charts of the 1980's featured the biggest variety of music styles and genres since the birth of rock and roll. There were the ladies of the pop charts like Madonna and Tina Turner, Def Leppard and Bon Jovi just to name a few. Come and join us for a night of big music and of course Big Hair!

So, DON'T STOP BELIEVIN' as we JOURNEY to the time when we were LIVIN' ON A PRAYER, and we all had a TOTAL ECLIPSE OF THE HEART.

Doors Open 5:30 pm

On Golden Pond is a timeless, witty comedy that hilariously illustrates the relatable human moments from which life and love are made. Ethel and Norman Thayer return to their summer home for some much needed rest and relaxation. He is a retired Professor with heart palpitations and a failing memory – but still as tart-tongued as ever. Ethel, ten years younger, delights in all the small things that have enriched their long life together. Their summer routine is thrown for a loop when estranged daughter Chelsea visits with her new fiancé and this teenage son Billy in tow, leaving a reluctant Billy behind while they travel to Europe. Turbulent family relationships, the generation gap, and the difficulties of a long marriage all come to the forefront as they are forced to navigate each other.
