Business & Community Profile

Situated along the second busiest highway in the province, the Town of Mayerthorpe is surrounded by prime agricultural land. With neighboring forests and oil & gas fields, the economy endures the ebbs and flows of all three sectors to create an atmosphere alive with possibilities.

We are the little engine that could in this corner or our vast province. From attracting major national franchises to successfully reversing a 20-year pattern of declining population, Mayerthorpe is always has its eye on the future.

Once a simple postal outlet along a well-travelled path, our town grew into a thriving little community and a hub for activity. The town is a constant in the region and home to a Co-op food store and bulk fuel facility, two pharmacies, both UFA fuel & Farm stores and many other retailers, not to mention our acute care hospital, RCMP detachment and numerous seniors' facilities.

Mayerthorpe's Exhibition Centre/Dick Granley Arena, swimming pool, sports grounds, curling rink and pump track provide lots of recreational activities, while facilities like our Diamond Centre Community Hall and Royal Canadian Legion Branch #126 host many and varied activities.

There's too much for this small space. Stop in for a visit; I'll show you around and buy you a coffee. See you soon.

Mayor Janet

THE MAYERTHORPE BUSINESS ADVANTAGE

The Town of Mayerthorpe is right in the heart of prosperous agricultural, forestry and oil & gas activities. This town is a great place to grow a business – whether it's the low license fees, the friendly people or the prime location – Mayerthorpe is bursting with potential.

Mayerthorpe is located at the junction of two major highway routes, Highway 43 (the Canamex Corridor) and Highway 22 (the Cowboy Trail). The Canamex Corridor is a four-lane limited access highway allowing quick access to Edmonton (~1 hour) or north to Alaska or the Canadian Territories. It is also known as the Alaska Highway.

The Cowboy Trail is the scenic alternative to Highway 2 for North-South travel in the province. This route boasts a vast array of First Nations and western heritage products and adventures. It runs from southern Alberta along the foothills, through ranch country to Mayerthorpe, its' northern trail's end.

We also connect with Highway 18, 6 km north of Town, which links us to the northeast portion of Alberta and the Oil Sands.

Stop in at our Town Office located at 4911 Denny Hay Drive (52 Street) to find out how we can help grow your business.

We, the Council and Staff of the Town of Mayerthorpe, encourage all interested developers and families who are interested

in calling our Town "home" to contact us so that we may provide any help that we can in making your relocation easier. Council works with GROWTH Alberta Economic Region and Community Futures Yellowhead East, to help establish new businesses in the Town.

We have several facilities in the community, including an Aquatic Centre which boasts a junior Olympic size outdoor swimming pool and a water slide, with a new splash pad constructed in the fall of 2017, an Exhibition Centre complete with an indoor walking/running track, a senior's lodge featuring Aging-in-Place rooms, an upgraded and expanded water treatment plant, sani-dump, compost facility, an upgraded sewage treatment plant which included the cleaning of lagoons and the relining of sewer mains throughout the Town.

We have two long-term care facilities and a modern Health Care Centre with five doctors serving the community and area. Ambulance service, a local RCMP detachment, a Community Peace Officer, and a large fully-equipped and trained Fire Department complete the protective services available to the Town and area.

Recreational opportunities abound for people of all ages, from hockey, learn to skate program, x-country skiing, baseball, soccer, dance, and golf to floor and ice curling, gymkhana, and rodeo. An active and

growing public library with many programs and drama and choir groups provide opportunities to expand your personal and cultural interests. The Town has several playgrounds and parks, including the Fallen Four Memorial Park, a beautiful place to rest and let the kiddos play.

The best part of Mayerthorpe has to be its people. It's the people, including all of our dedicated volunteers, who make this Town so special and what it is today.
